## COMMERCIAL

**YOUR PARTNER IN  
QUALITY & SERVICE**

Woodtown Fencing & Decking was established in 1995 by Garrett Keogh. Over the years Woodtown has a proven record of top quality products and reliable service to our customers resulting in a large portfolio of satisfied customers in the private and mainly construction industries with many different types of projects ranging from apartment and office blocks, hotels, residential developments, public houses, restaurants, beer gardens and smoking areas.

Woodtown Fencing & Decking offers a vast variety of products for the developer to choose from.

We are the preferred contractor with many leading developers and architects. (Names and references available on request).

Also most importantly as required in today's working environment, Woodtown Fencing and Decking is C2 registered, has full liability insurance and all employees are "Safe Pass" accredited.

Woodtown Fencing & Decking have a full range of modern plant and equipment required to do large jobs within set time frames.
