WOODTOWN

Fencing & Decking

DOMESTIC

**YOUR PARTNER IN
QUALITY & SERVICE**

Woodtown Fencing & Decking was established in 1995. Over the years Woodtown has a proven record of top quality products and reliable service to our customers resulting in a large portfolio of satisfied customers in the private and construction industries.

We believe all work and materials should be to the highest standard possible and the most important thing is to ensure our clients satisfaction with our products and service.

Most importantly as required in today's working environment, Woodtown Fencing and Decking is C 2 registered, has full liability insurance and all employees are "Safe Pass" accredited.

We offer a complete service to customers. In preparation for your job, we can remove old walls, fences and hedges and dispose of them for you if required.
